**IRRIGATION AND COMMAND AREA DEVELOPMENT (MAJOR.V) DEPTT.**

G.O.Ms.No. 72

Date:26 -7-2010

Read the following:-

From the Chief Engineer (Projects) (A/c), Irrigation, Kurnool dated:17-2 -2010 and letter dated: 05-05-2010.

\*\*\*\*\*

ORDER:-

In the reference 1<sup>st</sup> read above, the Chief Engineer (Projects) (A/c), Irrigation, Kurnool has reported that Kanala Nagamma Tank is situated 7.0 km south of Nandyal Town in Nandyal Mandal of Kurnool District and serves the villages of Kanala, M.Chintakunta and Julepalli. The localized ayacut under the tank is 823 Acres. Presently the bed of tank is silted up, the tank bunds are eroded and the tank sluice is also in bed condition. Due to this, storage of tank is fallen down from 130.676 MCFT to 34.88 MCFT which is not in a position to feed the contemplated ayacut. The tank bed is encroached by unauthorized cultivators and caused damages to this tank. The condition of the tank is not good and needs improvements by strengthening of the bund, sluices, alugu and field channels so that the storage capacity of the tank can be improved to feed the contemplated ayacut under its command.

2. Further, the Chief Engineer (Projects), Irrigation Kurnool has reported that P.Chintakunta Tank is located at 2.0 km western side of Allagadda Town in Allagadda (M) of Kurnool District and serves the villages of P.Chintakunta and Allagadda. The localized ayacut under the tank is 131 Acres presently the tank bunds are eroded severely due to which the storage capacity is being limited to meager quantity, which is not sufficient to supplement the water to the ayacut under its command. The sluice of the tank is also in the dilapidated condition. Due to the above, some villagers have encroached the tank bed for cultivation. In view of the above situation, the farmers are requesting for carrying out improvements to the tank. The tank is in dilapidated condition and needs improvements and strengthening of tanks. The tank bed is also badly silted up and resulting in less yield. Hence, it is required to carry out improvements to the tank by raising banks to the designed parameters and reconstructing RCC sluice and surplus weir.

3. The Chief Engineer (P), Irrigation Kurnool has requested the Government for Administrative approval for the works of (a) improvements to K.C. Canal feeder Tank near Kanala village (Kanala Tank) of Nandyal (M) of Kurnool District for Rs: 1,10,90,000 and (b) improvements to K.C. Canal feeder tank of P.Chintakunta (V) of Allagadda (M) of Kurnool District for Rs .39,02,000/- subject to meeting the expenditure from the B.E. 2010-11 under Non-plan grant.

4. In the circumstances explained by the Chief Engineer (Projects) (A/c), Irrigation Kurnool and after careful examination of the matter, Government hereby

( P.T.O.)

// 2 //

accord administrative approval for an amount of Rs.1,10,90,000/ ( Rupees One Crore Ten Lakhs and Ninety Thousand only) towards (i) Improvements to K.C. Canal feeder Tank near Kanala Village (Kanala Tank of Nandyal (M) of Kurnool District and for an amount of Rs.39,02,000(RupeesThirty Nine Lakhs and Two Thousand only) towards (ii) Improvements to K.C.Canal feeder of P.C.Chintakunta (V) of Allagadda (M) of Kurnool District.

5. The amount sanctioned at Para (4 ) above shall be debited to “MH 4701 COL on Major & Medium Irrigation – 01 Major Irrigation (Commercial Schemes included in Plan) – MH 109 KCC Modernization Project – SH (27) Canals & Distributaries – 530 Major works – 531 OE”.

6. The Chief Engineer (Projects) (A/c), Irrigation, Kurnool shall take further necessary action in the matter.

7. This order issues with the concurrence of Finance (W&P) Dept., vide their U.O.No.2452/F5(A2)/10-1, dt:14-07-2010.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
